PLEASE READ: All fees are non-refundable except in extraordinary circumstances. Please contact the city for mor information.

RUSH PERMIT FEE: Where a completed filming permit application is submitted three or fewer business days prior to the effective date of the permit, the producer must pay the standard permit fee plus the rush fee. Additionally, where a producer submits an application more than three business days prior to the effective date of the permit, the producer voluntarily may pay the standard permit fee plus the rush fee in order to have the application processed within three or fewer business days.

MATERIAL CHANGE FEE: There is no charge for a material change to a filming permit where a completed change request is submitted to the city more than three business days prior to the effective date of the permit. Where a material change is requested after the permit has taken effect, there will be no charge if the completed change request is submitted to the director more than three business days prior to the implementation of the requested change.

JURISDICTION: Please be sure to check and verify the jurisdiction before you apply for a permit. If you apply in the wrong jurisdiction, you will still be required to pay all fees for a Stonecrest permit. No refunds or credits.
